cruising aboard the Deluxe M.S. Amadeus Princess

featuring the Glacier Express

July 6 to 16, 2015
Dear Alumni and Fans,

We invite you to join us on this Great Journey through Europe, a trip of a lifetime and opportunity to recreate a large part of the traditional 17th-, 18th- and 19th-century “Grand Tour.” Travel through four countries and the western heart of the Continent on this carefully planned, exclusive itinerary. Cruise Holland’s waterways, surrounded by polder land reclaimed from the North Sea, and the fairy-tale beauty of the UNESCO-designated Rhine River and its Rheingau wine region; experience three of the world’s legendary railways and visit four more important UNESCO World Heritage sites.

The exclusively chartered, deluxe M.S. AMADEUS PRINCESS, one of the finest ships sailing Europe’s waterways, provides our accommodations en route from Amsterdam, The Netherlands, to Basel, Switzerland. Port calls along the way include Cologne, Koblenz, Rüdesheim and Mannheim for Heidelberg, Germany, and the lovely Alsatian city of Strasbourg, France, a fusion of both French and German cultures.

From Basel, travel overland through the verdant countryside of Switzerland. Stop in the medieval gem of Berne and in Interlaken, scenically situated near the magnificent Bernese Oberland Alps. Spend two nights in lovely Lucerne in the Five-Star HOTEL SCHWEIZERHOF, where glorious panoramas surround you. Then, cross the mountainous backbone of Switzerland aboard the celebrated, ingeniously engineered Glacier Express, and in Zermatt, marvel at the iconic Matterhorn as you travel aboard the Gornergrat Bahn, the country’s oldest cog railway.

Please join us on this extraordinary Great Journey through Europe, an excellent value with all excursions and deluxe accommodations included. We encourage you to reserve now as capacity is limited and this popular program sells out quickly! Early Booking Savings are available only through January 9, 2015.

Sincerely,

U.S./Amsterdam, The Netherlands Day 1 and Day 2
Depart the U.S. for Amsterdam. Upon arrival, enjoy a private cruise along Amsterdam’s UNESCO World Heritage site canals, lined with 16th- and 17th-century gabled row houses. Then, embark the ship. Join fellow participants this evening for the Captain’s Welcome Reception and dinner.

Cologne, Germany Day 3
Enjoy the morning while cruising along the picturesque Rhine River.

One of Germany’s most ancient cities, Cologne was founded as a Roman military outpost in 38 B.C. From the time of Charlemagne to present day, it has flourished as the Rhineland’s foremost mercantile and religious center and is the birthplace of the original world-famous Eau De Cologne perfume. Explore the Altstadt (Old Town) and visit the historic Kölner Dom (cathedral), a UNESCO World Heritage site and the finest example of High Gothic architecture in Germany; its construction began in 1248 and lasted for six centuries. Among its artistic treasures are the Milan Madonna and the Shrine of the Three Holy Kings.

Koblenz/Rüdesheim Day 4
Go ashore this morning in Koblenz, strategically positioned at the confluence of the Rhine and Moselle Rivers and where Germany’s Roman past dates to nine B.C., during the reign of Augustus Caesar. From the famous Deutsches Eck (German Corner), view the impressive 19th-century fortress of Ehrenbreitstein—once the residence of the powerful Archbishop-Electors of Trier—across the Rhine River, and enjoy a walking tour of this historic city. The twin-towered Basilica of St. Castor, built between the ninth and 13th centuries, features the Rhineland’s distinctive Romanesque architecture.

Cruise through the spectacular Rhine River Valley, a UNESCO World Heritage site, legendary for its scenery and riverside architectural treasures. Be on deck for a front row view of the steep terraced vineyards rising on the slopes of the riverbanks. With each bend in the river, a medieval castle crowns the crags and a tranquil village nestles along its banks. See the famous Lorelei Rock—legend holds that a beautiful siren lured sailors here with her enchanting song.

Dock in the medieval town of Rüdesheim, the heart of Germany’s wine country. Enjoy a tour aboard the unique Winzerexpress mini-train, traveling through bucolic countryside vineyards en route to a private tasting of German wines.

Reboard the ship and cruise through the Rheingau, Germany’s most famous wine-growing region, known particularly for its Riesling.

Mannheim for Heidelberg Day 5
This morning, from Mannheim, transfer to Heidelberg, where luminaries such as Goethe and Schumann came to experience the intellectual atmosphere of Heidelberg University, Germany’s oldest, founded in 1386. To many on the “Grand Tour” of Europe, fashionable in the 17th, 18th and 19th centuries, Heidelberg epitomized Germany, nestled in the densely wooded valley of the Neckar River and alive
with the spirit of German Romanticism. Heidelberg has preserved its authentic Renaissance-Baroque character, including the eight remaining arches of the famous Alte Brücke (Old Bridge) that span the Neckar River. Visit imposing Heidelberg Castle, a magnificent, 13th-century edifice perched above the river. The stately ruins preserve Heidelberg’s links to its medieval past.

Strasbourg, France
Day 6
The lively Alsatian city of Strasbourg fuses the Old and New Europe. The Old City, a UNESCO World Heritage site, is a treasure trove of medieval houses, and the charming Ponts-Couverts, covered bridges flanked by watchtowers at each end, span the picturesque canals. It was in Strasbourg that John Calvin first established a reformed parish. See remnants of the Reformation in the beautiful Protestant and Catholic Church of St-Pierre-le-Vieux; and see the graceful sandstone Catholic Cathedral of Notre Dame, a Romanesque-Gothic masterpiece that, according to the poet Goethe, rises “like a most sublime, wide-arching tree of God.”

In the Petite-France district, the historic millers’, tanners’ and fishermen’s quarter along the Ill River, the fairy-tale look of a past era lives on, while nearby, 28 nations engage in the daily discourse of the European Union Parliament.

Enjoy lunch aboard ship. The afternoon is free for independent pursuits. This evening, attend the Captain’s Farewell Dinner.

Basel, Switzerland/Berne/Interlaken/Lucerne
Day 7
Disembark in Basel and transfer across the rolling Swiss countryside to Berne, Switzerland’s historic capital. Visit the Old Town, a UNESCO World Heritage site noted for its arcaded sidewalks. Have lunch in a traditional Bernese restaurant. Continue on through one of the most stunning areas of Switzerland, the spectacular Bernese Oberland, traveling from subtropical lowlands to the snow-crowned heights of the Alps. Admire the impressive natural treasures of soaring, jagged, snow-capped mountain peaks, green, rolling hills, crystal-clear glacial lakes and densely wooded forests.

Stop in the charming resort town of Interlaken, located between Lake Thun and Lake Brienz. Here, you will find the perfect vantage point for admiring the towering Jungfrau, an imposing summit in the Bernese Alps known as the “Top of Europe.”

Then, enjoy a scenic motorcoach transfer to Lucerne and check into the lakeside, Five-Star Hotel Schweizerhof LUCERNE and enjoy an evening at leisure.
Lucerne
Day 8
A long-favored destination of travelers, Lucerne is set against the backdrop of its deep blue lake and the rugged grandeur of Mounts Pilatus and Rigi. Begin your morning walking tour in the Weinmarkt (wine market), surrounded by historic burghers’ houses. See the Hofkirche (Court Church), one of the finest examples of German Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution. Walk across Lucerne’s most famous landmark, the delightful, 14th-century wooden Chapel Bridge, which spans the Reuss River and is adorned with 17th-century paintings. Ascend Mount Pilatus by panoramic gondola to its 7000-foot summit for a magnificent 360-degree panoramic view of central Switzerland’s mountains, forests and lakes. Enjoy lunch in a summit restaurant followed by free time. Board the Pilatus Railway, the world’s steepest cogwheel railway, then descend more than 5300 feet in less than three miles on return to the shores of Lake Lucerne, where you will enjoy a scenic lake cruise.

Lucerne/Andermatt/Zermatt
Day 9
Relax during a scenic transfer from Lucerne to Andermatt. Lunch is included in Andermatt before you board the fabled Glacier Express, “the world’s slowest fast train.” Travel through the heart of the Alps, where the natural beauty of the mountains rivals the skill and ingenuity of the engineers who created this challenging rail route—requiring the construction of more than 290 bridges and 90 tunnels. Arrive in the Alpine resort of Zermatt, dramatically located beneath the pinnacle of the iconic Matterhorn.

Check into the chalet-style HOTEL ALEX. The remainder of the afternoon is at leisure. Enjoy dinner in the hotel tonight.

Zermatt
Day 10
Today, travel aboard the famous Gornergrat Bahn, the highest cog railway in Europe. Ascend through pine and larch forests and cross meadows ablaze with wildflowers to the 10,000-foot-high Gornergrat. From the observatory atop the Gornergrat, look out over sweeping vistas of Europe’s most breathtaking Alpine scenery—the serrated profiles of the Matterhorn, the Liskamm and Dufours spitze mountains and vast Gorner Glacier. Return to Zermatt at your leisure, with the option to stop en route at Riffelberg for the panoramic view of Monte Rosa and the majestic Matterhorn. The Farewell Reception and dinner is in the hotel this evening.

Zermatt/Geneva/U.S.
Day 11
Following breakfast, transfer to Geneva for your return flight to the U.S.

Towering spires crown Cologne’s majestic Kölner Dom (cathedral), one of the finest Gothic structures ever built.

Magnificent. Dynamic. Awe-inspiring. Superlatives that describe not only Switzerland’s majestic 14,000-foot-high mountain peaks, flowing streams, cavernous gorges and crystalline glaciers, but also three of the world’s great cogwheel railways—the panoramic Glacier Express, the scenic Gornergrat Bahn and the dramatic Pilatus Railway—and the ingenuity and engineering achievements it took to create them. Appreciate the visionary work and vast scope of these magnificent railways as you experience the sublime majesty of the iconic Alps from incredible, up-close perspectives.

The Gornergrat Bahn is Switzerland’s oldest electrified cog railway, in operation since 1898. In the brief span of five miles, you will climb 4868 feet from Zermatt to the lofty Gornergrat. En route, look for stunning views of the great Matterhorn, hanging glaciers and the robin’s-egg blue waters of mountain lakes. Lucerne’s Pilatus Railway, completed in 1889, offers breathtaking bird’s-eye views of Swiss farms and coniferous forests along its three-mile run from the shores of Lake Lucerne to the summit of Mount Pilatus. Its vertical ascent of 5364 feet over a grade as steep as 48 percent is highlighted by its stunning 360-degree views.

No feat required greater skill and determination than the laying of the track for the Glacier Express (1930) across the spine of the towering Alps. Enjoy this spectacular and leisurely journey showcasing unmatched views of the Swiss countryside: weathered chalets and mountainside farming hamlets, picturesque trails dotted with hikers, livestock grazing on green grasses, and glacial waterfalls and ice-blue, snow-capped mountains. A true engineering marvel, the railway penetrates the mountain barrier separating the cantons of Valais and Uri through the nine-and-one-half-mile-long Furka Tunnel and crosses arched stone bridges that span the tumbling headwaters of the Rhine and Rhône Rivers.

Travel through Switzerland’s dazzling alpine heart in absolute comfort aboard the marvelous and celebrated Glacier Express.
