Cruising the Rhône and Saône Rivers
aboard the Deluxe Small River Ship
Amadeus Provence

May 6 to 14, 2020
Dear Alumni and Fans,

We invite you to join this exclusive, nine-day French sojourn through Provence and the wine regions of Burgundy and Beaujolais in May, the best time of year to visit, when the region’s famous flora radiates throughout the timeless French countryside. Cruise for seven nights round trip from historic Lyon along the fabled Rivers Rhône and Saône aboard the deluxe, exclusively chartered AMADEUS PROVENCE.

During your intimate small ship cruise, dock in the heart of each port town and visit six UNESCO World Heritage sites, including the Roman city of Orange, the medieval papal palace of Avignon and the wonderfully preserved Roman amphitheater in Arles.

Visit the Burgundy region where the hallowed climats of Beaune surround alluring medieval streets. Tour the legendary 15th-century Hôtel-Dieu, a vast galleried almshouse famous for its Gothic architecture, and discover flourishing Lyon, France’s gastronomique gateway, where the latticed streets of Old Lyon are home to Renaissance-inspired architecture and hidden traboules—tunneled passageways that sheltered silk-weavers as they moved their delicate wares. Enjoy an excursion to the Beaujolais vineyards for a private tour, world-class piano concert and wine tasting at the Château Montmelas.

Experience Avignon, one of Europe’s great cultural centers, and authentic Arles, where stone houses and colorful market stalls are bathed in the region’s signature golden light. Admire the Pont du Gard aqueduct, a true masterpiece of ancient architecture. Tour charming Vienne where a wealth of antiquities attest to past glories and three important medieval churches recall the city’s historic past.

A perennial favorite, this exclusive travel program is the quintessential Provençal experience and an excellent value featuring a comprehensive itinerary through southern France in full bloom. I encourage you to book now while Early Booking Savings and space are still available.

Sincerely,

Beaune (Burgundy)

Amidst an idyllic countryside, Beaune, founded in the fifth century B.C., is the longtime capital of Burgundy wines and located in the famous Côte d’Or département. This historic city and its surrounding terroirs, vineyards and cultural landscape comprise a UNESCO World Heritage site. Lush Beaune still basks in a regal sheen and today Burgundy’s most influential wine merchants are based here.

Tour the legendary Burgundian Renaissance-style Hôtel-Dieu, a charitable hospital since the Middle Ages and one of the finest examples of 15th-century French architecture, lauded for its varnished polychrome Flemish tiled roof and Gothic turrets. Inside, see the Salle des Malades (hospital wards) and view the masterpiece polyptych of The Last Judgement by 15th-century Flemish painter Rogier van der Weyden. Enjoy time at leisure in Beaune.

Beaujolais

The lovely vineyards of Beaujolais, known as the “land of the golden stones” for its warm-hued architecture, produce France’s youthful, fruity nouveau wines.
Located along the banks of the Saône River, this internationally acclaimed wine region has been known to produce more red wine than the Burgundy vineyards of Chablis, Côte d’Or, Côte Chalonnaise and Mâconnais combined.

In the fertile heart of Beaujolais, visit the 10th-century Château de Montmelas where a distinguished member of the family will greet you upon arrival and guide your exclusive tour. Enjoy a private, specially arranged performance of fortepiano music by an internationally recognized pianist living in Burgundy, accompanied by a wine tasting and local canapés.

Lyon
A UNESCO World Heritage site, Lyon is a captivating city at the confluence of the Rhône and Saône Rivers. From lofty Fourvière Colline (Praying Hill), enjoy views of the neo-Byzantine Basilique Notre-Dame-de-Fourvière, the symbol of Lyon. Walk the tree-lined streets of the restored Vieux (Old) Lyon, where well-preserved Gothic and Renaissance mansions attest to the wealth of Lyon’s long-standing silk industry. Stroll through the ancient quarter of Saint-Jean and its unique, often hidden traboules.

Avignon
Built on the banks of the Rhône and ringed by low medieval walls, the ancient city of Avignon is a UNESCO World Heritage site. The city formed the axis of Western Christendom from 1309, when Pope Clement V moved the papal capital here, until the Great Schism with Rome in 1378. Tour the grandiose Palais des Papes (papal palace), the largest château-fort built in Europe during the Gothic era.

At the river’s edge, see the remaining four arches of the 12th-century Pont Saint-Bénézet (Pont d’Avignon), the only bridge built across the Rhône during the Middle Ages and an exceptional example of medieval fortifications.

Arles
One of France’s loveliest towns, this archetypal Provençal city is unmatched in its joie de vivre and is home to one of the most majestic collections of UNESCO World Heritage-designated Roman monuments. Originally a Celtic settlement, Arles became the Roman capital of Gaul, Britain and Spain. Visit the magnificently restored amphitheater, built in the first-century B.C. for 20,000 spectators and the 12th-century Église Saint-Trophime, a former cathedral known for its Last Judgment-themed portal, a fascinating example of Romanesque sculpture.

Known to the ancient Romans as Arar, the Saône River meanders through inviting medieval villages and the picturesque French countryside.
The city’s colorful houses, bathed in golden light, inspired Van Gogh, who produced over 200 works during his 14-month stay in 1888, including *The Sunflowers* and *The Café Terrace at Night*—the café on Place du Forum is still open to the public. Enjoy the afternoon at leisure.

The 12th-century Saint Bénezet was said to have been endowed with the strength to lay the stones of the Pont d’Avignon in the Rhône River with his own hands.

**Orange**
Traverse the pastoral French countryside, passing colorful champs (fields) and stucco maisons (houses). Admire Orange’s UNESCO World Heritage sites—visit the ancient Roman Theater, the best preserved Roman theater in the world and dominated by a colossal stage wall with an ornate façade embellished with columns, doorways and niches; the theater still hosts performances today.

The 1st-century Pont du Gard aqueduct was built with 55,550 tons of soft limestone blocks.

**Pont du Gard**
Visit the UNESCO World Heritage-designated Pont du Gard, an exquisitely built 2000-year-old Roman aqueduct triumphed as one of Europe’s most impressive archaeological sites. The 31 mile aqueduct once supplied over nine million gallons of water daily to the city of Nîmes and is hailed for its 82-foot arch gap, one of the largest spans in the Roman world. This extraordinary masterpiece of engineering was constructed of limestone cut to fit seamlessly without mortar, using arches to support the weight.

**Vienne**
Located at a scenic bend in the Rhône River, Vienne features a trove of architectural treasures. The Roman’s major wine port, Vienne was of great strategic importance and some of the finest Classical antiquities in France attest to its past glory. See the pristinely preserved Temple d’Auguste et de Livie, with striking Corinthian columns, built around 10 B.C. in honor of Rome’s greatest emperor, and the Théâtre Romain, a beautifully restored amphitheater at the foot of Mont Pipet, one of the largest theaters of the Roman Empire. The town’s most notable medieval landmark,
