CAC Call - Monday, January 23
The CAC conference call for Geographic and Special Interest groups will be held on Monday, January 23. At least one representative from each group should be on the call. An agenda will be sent out one week prior to the call. The call will begin at 6:15 p.m. MST and last one hour.

Notes for Honor Run Captains
The cities that are confirmed to host Tillman Honor Runs in April are listed on our website. We will be adding information to the individual chapter pages and the Pat Tillman Foundation will be listing all of the locations on their Pat's Run website. Online registration for the Tillman Honor Runs will open on Jan. 10. We will be using Eventbrite to provide each city with their own registration page. You must have a location confirmed before your registration will be made live. Cities lacking a confirmed location by January 31 will be cancelled for 2017. ALL marketing and promotions for the Honor Runs must be run through the ASU Alumni Association for review and approval from the Pat Tillman Foundation. Please do not create or post any non-approved images or flyers.

Chapter E-Newsletter Requests
Chapter & Club e-newsletter requests will continue to be prepared for distribution on the 1st & 3rd Wednesdays of each month. Submit your request by the previous Friday at Noon to meet the deadline for distribution. For ASU Cares and the Tillman Honor Runs, we will do e-blasts similar to what was used during football season, promoting all projects/cities in group messages, every other week beginning in February. March is ASU Cares Month - Projects due by Feb. 1
This will be the ninth year for our nationwide ASU Cares initiative through the ASU Alumni Chapters & Clubs. We want every chapter and club to participate whether it be a beach or park clean-up, helping at a homeless shelter or simply adding a canned food drive to your already scheduled mixer or basketball game watching party. You can plan your project for any day in March. Please have your projects planned and send your details to Trish by Feb. 1.

Save the Date - Spring Leadership Conferences
The next Academic Affiliate lunch will be February 7. The Special Interest Spring Conference will be in February. Geographic groups will meet on Friday & Saturday, April 7 & 8. More details to will be shared during the January CAC call.
