Coming Fall 2017: ASU Celebration of Leadership

What is the ASU Celebration of Leadership?

- A university-wide initiative, driven by the ASU LSP Alumni Chapter, garnering support from leadership-focused organizations and clubs, the broad ASU Alumni community and the ASU community at large.

- A year-long series of leadership-focused events to promote the study and development of multi-generational leadership.

- Commemorates the 40th Anniversary of the ASU Leadership Scholarship Program.

What if The LSP helped ASU become the renowned experts in Multi-Generational Leadership?
