Every Sun Devil Counts

Every year the team at ASUAA prepares an Accomplishments document to share with the President's Office. This is where we really get to brag about all of the great work alumni chapters and clubs are doing across the country. We want to be sure we are accurately reflecting the hundreds of engagement opportunities alumni groups offer throughout the year. You might receive periodic requests from our office for updates on attendance for events, or number of dollars given for scholarships. Don't worry, we're not grading you. No number is too small. We want you to know that EVERY person counts. We appreciate your assistance and response for these requests.

Sun Devil Achievers

Do you know Sun Devils who have used their ASU education to help others, enrich the community, and make the world a better place? Be sure to nominate them for one of the three upcoming award programs sponsored by the ASU Alumni Association. These awards will honor graduates of the institution who have made significant contributions in a variety of areas of achievement.
