Cambridge & Oxford

Cotswolds
Dear Alumni and Fans,

For many, the unspoilt nature of England, Shakespeare’s “blessed plot,” lies in the traditional ways of town and country life found in its pastoral villages, picturesque countrysides and idyllic university towns. Experience the time-honored quest for knowledge as played out in the distinguished classrooms, dining halls and quadrangles of Oxford and Cambridge. Learn more about how the legacy of days gone by transcends time and forms the roots of contemporary country life as you interact with village residents. Visit the hallowed grounds of the Cambridge American Cemetery and Memorial, honoring fallen American soldiers, and at Bletchley Park, see where Allied cryptographers cracked the German Enigma code during World War II. Uncover the deep history behind Highclere Castle, the authentic Victorian manor house now known as “Downton Abbey.” Meet Lady Henrietta Spencer-Churchill, cousin to Winston Churchill, when you call on the family’s stunning Blenheim Palace, a UNESCO World Heritage site. Savor the extraordinary experience of traveling in a small, merry group through university towns and the Cotswold region—town and country juxtaposed—discovering the great heritage and character of England’s historic academic centers, great country manor houses and enchanting villages.

Stroll the venerated grounds of the University of Cambridge; relive history in the iconic, 14th-century Eagle Pub, where the discovery of DNA was announced; and marvel at the vast collection of the university’s library. Explore the age-old traditions of Oxford and become more familiar with the lives of great authors and icons of English history who were educated here or hailed from the surrounding region. Admire the picture-perfect scenery of thatched-roof cottages, English flower gardens and gentle streams, framed by the bucolic Cotswold landscape and dotted with evocative ruins and spectacular medieval churches built from the wealth of the wool trade. Hear about contemporary life from the local ladies and gents during the exclusive TOWN & COUNTRY LIFE® Forum. Experience the best of quintessentially English culture while staying in an elegant landmark, Five-Star hotel that offers award-winning food in the heart of Oxford; and a centrally located hotel in Cambridge within walking distance of its exquisite university buildings.

This comprehensive, one-of-a-kind, small group travel program is an exceptional value and the best way to experience the charm and beauty of English town and country life. Don’t delay—this popular program sells out quickly.

Sincerely,

Christine Kajikawa Wilkinson ’66, ’76 PhD

Cambridge, England
Experience the beauty of Cambridge University’s Emmanuel College and its spectacular landscape where the buildings range in date from the medieval to the late 20th century. Contemplate the solemn crosses and the stars of David in the Cambridge American Cemetery and Memorial, the only World War II American Cemetery in England, commemorating the casualties in the Battle of the Atlantic.
Visit the Baroque-style Wren Chapel, whose Tudor and Corinthian capitals are linked by a frieze of intricate garlands. Tour King’s College Chapel, begun in 1446 by Henry VI and completed over a century later, featuring fine medieval stained glass and the largest fan-vaulted ceiling in the world.

Cultural Enrichments:
Enjoy a tea/coffee break in the famous 14th-century Eagle Pub and sit where Watson and Crick announced to the world they had discovered the secret of life—DNA.

Bletchley Park
Tour this influential complex, England’s best-kept secret during World War II, and learn more about the top secret resident cryptographers led by Alan Turing, who cracked the German Enigma code.

Oxford
Affectionately named the “city of dreaming spires” by adoring poets, Oxford is home to one of England’s most venerated universities, which counts Sir Thomas More, Percy Bysshe Shelley and Margaret Thatcher among its illustrious alumni. Steeped in eight centuries of history, here, the exclusive customs of a Formal Hall dinner require
proper attire and are still honored with a three-course meal and waiter service. Learn more about student life at Oxford as you walk the cobbledstone squares, medieval alleyways and Renaissance quadrangles of the oldest university in the English-speaking world.

**Cultural Enrichments:**
Local residents will discuss contemporary life in the Cotswolds during the exclusive Town & Country Life® Forum.
Join your traveling companions for a specially arranged, exclusive and private Farewell Dinner in one of the college's hallowed dining halls.

**Highclere Castle**
Spectacular Highclere Castle, featured in the acclaimed PBS Masterpiece series *Downton Abbey*, is set in an Edwardian-period property among 1000 acres of magnificent parklands. The richly decorated staterooms have been restored with authentic elements including embossed Spanish leather wall coverings, Italian embroideries, silk bed hangings and 400 years' worth of paintings and furniture, including a mahogany desk and chair that once belonged to Napoleon. Scenes from *Downton Abbey* were also filmed in Bampton, one of the oldest villages in England.

**Cultural Enrichment:**
Tour one of the great manor houses of England, where the Carnarvon family has lived since 1679, and see the antiquities that celebrate the fifth Earl of Carnarvon’s love of Egyptology. His combined efforts with archaeologist Howard Carter led to the discovery and excavation of Egyptian King Tutankhamun’s tomb in 1922.

**Cotswold Villages**
The gentle, rolling hillsides, thatched-roof cottages and country paths found in the charming Cotswolds are something from the pages of a time-worn, pastoral storybook. These scenic villages span the boundaries of Old English shires—counties established during the Norman Conquest of England.

Artist and designer William Morris called the picturesque hamlet of Bibury “the most beautiful village in England.” Its Saxon Church of St. Mary’s and famed Arlington Row of 17th-century weavers’ houses are quintessentially Cotswolds.

The magnificent Church of St. John the Baptist is tucked away at the bottom of Burford’s main road in Oxfordshire. Inside, the monument to a gentleman of Henry VIII’s Privy Chamber is said to contain England’s first depictions of Amazonian Indians, inhabitants of the “New World.”

Punting along the serene River Cam through the idyllic College Backs is a treasured summer pastime in Cambridge.

Your Farewell Dinner will be held in one of Oxford’s oldest and most beautiful dining halls.
Cultural Enrichment:
Enjoy time at leisure to explore these unique, quaint villages on your own.

Blenheim Palace
Sir Winston Churchill remarked that he had made two of the most important decisions of his life at Blenheim Palace— to be born and to marry. He continued, in that dry wit of his, to say he was “content with the decision I took on both occasions.” This 18th-century Baroque masterpiece was built by another national hero, Sir John Churchill, the first Duke of Marlborough, with funds donated by a grateful Queen Anne after his victory at the Battle of Blenheim. Today, it is a UNESCO World Heritage site and one of England’s most treasured stately country houses, with 2200 acres of parkland and gardens designed by the legendary English landscape architect “Capability” Brown.

Cultural Enrichment:
By special arrangement, meet Lady Henrietta Spencer-Churchill and enjoy a privately guided tour through the splendid palace before an exclusive, private luncheon.
